## Education

**Sharad Institute of Technology College of Engineering, Yadrav**

*BTech in Artificial Intelligence & Data Science*

**Aug 2024 – July 2027**

*Current GPA: 7.89*

**Government Polytechnic, Kolhapur**

*Diploma in Information Technology*

**Dec 2020 – Aug 2023**

*Percentage: 83.88%*

## Experience

**RacksonsIT Developers Pvt. Ltd.**

*Data Science & AIML Intern*

**June 2025 – July 2025**

*Ichalkaranji, India*

- Utilized Pandas, NumPy, and Matplotlib for data analysis and visualization.
- Cleaned and preprocessed multiple CSV datasets.
- Created bar, histogram, scatter, and line charts to identify trends.
- Built and tested basic ML models for classification and prediction.

**Unified Mentor Pvt. Ltd.**

*Web Development Intern*

**December 2023 – June 2024**

*Online*

- Completed 6-month web development internship using HTML, CSS, JS, PHP, and MySQL.
- Built and deployed a Gym Management System for memberships, payments, and schedules.
- Integrated MySQL for secure data storage and fast CRUD operations.
- Collaborated on debugging, performance tuning, and cross-browser compatibility.

**Update Computer, Hupari**

*Android Development Intern*

**January 2023 – February 2023**

*Hupari, India*

- Completed 4-week internship learning fundamentals of Android app development.
- Gained hands-on practice with Java, XML, and Android Studio.
- Built simple apps with basic UI elements and navigation.
- Learned to run, test, and debug applications on emulators and devices.

## Projects

**Ayurvedic Hospital, Website** — *HTML, CSS, JavaScript, PHP, MySQL*

**March 2025**

- Developed a website for an Ayurvedic hospital with appointment booking and service details.
- Project sponsored by Patil Hospital, Athani.
